

# In2assessments

## End Point Assessments for Outdoor Learning Specialist Level 5 - ST0945

### Unlocking the Potential of Outdoor Education -

*Reliable and Fair Assessments to Validate Skills and Expertise*

### What is an Outdoor Learning Specialist?

The broad purpose of the occupation is the design, planning and delivery of programmes that provide progressive learning and change using outdoor activities and experiences.

They will:

- Apply professional outdoor leadership judgement to facilitate safe and effective individual and group learning.
- Use broad and specialised knowledge of the natural outdoor environment and determine likely hazards of undertaking activities and perform in-advance and in the moment (dynamic) risk – benefit assessments.
- Interact with programme participants; customers and stakeholders to identify needs and expectations, sequence, plan, monitor and report on the delivery of an outdoor learning programme.
- Be responsible for needs analysis & diagnosis, design, planning, execution, and evaluation of outdoor learning development programmes for children, young people, and adults.

### YOUR APPRENTICE JOURNEY

#### (MINIMUM DURATION 53 WEEKS)

On and off-the-job training to develop knowledge, skills and behaviours.

English and Maths Level 2 (if required)

Production of a portfolio of evidence

## GATEWAY (TYPICALLY 1 MONTH)

The employer must be content that the apprentice is working at or above the level of the occupational standard.

Apprentices must have achieved all qualifications mandated in the Outdoor Learning Specialist occupational standard. The qualifications required are:

- Level 2 Ofqual registered Award in Safeguarding relevant to the employer's business.
- Level 3 Ofqual registered 2-day Outdoor First Aid Award

Apprentices must have achieved English and mathematics at Level 2.

Apprentices must submit to the EPAO:

- A logbook of evidence to underpin the professional discussion.

## END-POINT ASSESSMENT (MAXIMUM 3 MONTHS)

End-point assessment consists of three methods:

1. Customer proposal report, presentation and questioning
2. Observation with questions
3. Professional discussion (underpinned by a logbook of evidence)

## ENTRY REQUIREMENTS:

Employers will have their own specific entry requirements but could include the following:

- Level 2 Award in Functional Skills English or equivalent
- Level 2 Award in Functional Skills Mathematics or equivalent
- 18 years or above or at the employer's discretion due to the nature of the work
- Existing skills and knowledge of Outdoor Activity

## Why In2assessments?

- Operating nationally, our experienced team of assessors provide independent assessments to recognise standards.
- Each assessment is tailored to the identified needs of the apprentice and site-specific requirements.
- Our simple to use online process takes individuals from registration through to certification

**Typical duration, completed within 1-3 months following gateway**  
EPA cost: £2000 per apprentice, (£500 paid on registration)
