End Point Assessments for Early Years Educator Level 3 - ST0135

Unlocking the Potential of Early Years Learning -

Reliable and Fair Assessments to Validate Skills and Expertise

What is an Early Years Educator?

Early Years Educator Level 3 professionals, including nursery nurses and childminders, ensure young children's learning, development, and safety in various settings. They implement Early Years Foundation Stage (EYFS) requirements.

They will:

- Plan and supervise personalised activities, catering to each child's needs and interests.
- Support the development of numeracy and language skills through engaging games and play.
- Take on key person responsibility, ensuring every child feels secure and safe.
- Observe and adapt, shaping learning experiences based on individual observations.
- Collaborate with colleagues, parents, and professionals, meeting each child's unique needs and fostering a supportive learning environment.
